

ODP-81-1027
6 August 1981

MEMORANDUM FOR: Deputy Director for Administration

FROM: Bruce T. Johnson
Director of Data Processing

SUBJECT: ODP Report for Week Ending 5 August 1981

Support to Office of Personnel

CAPER/OP (Case Processing and Evaluation Reports) Over the weekend of 25-26 July, a power surge damaged a circuit board on the Microdata minicomputer, bringing down the CAPER/OP database. All data has since been recovered and the system returned to operation. [redacted]
